Dufferin County Canadian Black Association

Message from Member of Parliament, Kyle Seeback

It is my sincere honour to congratulate Alethia O'Hara-Stephenson and her dedicated team for their work towards creating the Dufferin County Canadian Black Association. This new organization will ensure the concerns and interests of the Black and Caribbean communities across Dufferin County will be well represented.

I look forward to working closely with the Dufferin County Canadian Black Association membership in the future.

The Dufferin County Canadian Black Association is a most welcomed addition to our community. My sincere compliments again to all those involved!

Sincerely,

*Kyle Seeback, M.P.
